

Boca Royale has formed a Transition Committee to assess the potential purchase of the Club from Neal Communities.

The Committee sent out its first Newsletter last week (August 26, 2021) via electronic mail. We used Boca Royale's standard email distribution list. The Newsletter announced the launch of an autonomous Website, www.BocaRoyaleTransition.com, to keep residents up-to-date on this planning effort.

If you did not receive the Newsletter and are an Internet user, please send your name and email address to ContactUs@BocaRoyaleTransitions.com, and we will add you to the list. In the meantime, you can view the Newsletter and other content on the Website.

We realize that **not all Boca residents use the Internet**. Please contact Transition Committee member David Gillhouse (815/715-6606) or Elaine McMahon (313/550-3555) if you do not use the Internet and would like to receive hard copy Newsletters and Surveys.

We will conduct one-on-one Transition Website training for less experienced Internet users. If interested, please email us through the Contact Us address, or call Elaine or David.

Our review of initial survey feedback suggests that some residents have not yet had the chance to carefully review all Website content. We realize there is a lot of information posted; however, we encourage you to review it thoroughly when you do have time. The FAQ section is particularly important, as it provides answers to Frequently Asked Questions posed by residents.

As key updates are posted on the Website in the future, we will send notifications through our Newsletters. **Next month there will be a very important Boca Transition Survey soliciting your input/feedback on the potential Club purchase and possible property improvements. We hope all residents will make this a high priority to complete.**

We will keep you continuously updated throughout the Boca Transition planning process. We appreciate your time and active participation in this critical initiative.

Sincerely,

The Boca Royale Transition Committee
