

Boca Royale Transition Committee

Unit Coordinator Application

As part of the ongoing investigation into the potential purchase of our Club from Neal Communities, the Transition Committee is recruiting individuals in each Unit of Boca Royale to serve as Coordinators for their areas. The job of these Unit Coordinators will be to assist in the communication process, assuring that every homeowner in Boca Royale has access to Transition Committee information regarding the potential acquisition. Their task will be to educate and gather feedback. They will be responsible for organizing small meetings in their neighborhoods, where they will communicate the latest information on the potential acquisition. They will keep track of attendance, and individually reach out to neighbors who did not participate, to assure that all homeowners are informed. They will seek input from and carefully listen to their neighbors' concerns, and share this information with the Transition Committee on a timely basis. Should the Transition Committee's ultimate recommendation call for a Recreation District (RD) petition drive, the Unit Coordinators will assist in this process as well. In Units where the population is too large to be covered by one individual, the Unit Coordinator will be responsible for identifying and organizing additional neighbors to assist them in this process.

Unit Coordinators will need to have good communication and organization skills, flexible schedules and be able to work well with others. We are **NOT** seeking people with strong opinions on either side of the ownership discussion. Open minded people prepared to engage in meaningful discussion are encouraged to apply. The task will start in January and will require the Coordinators to reside in Boca Royale during the period of January through March 2022, as this is not a role that can be undertaken remotely.

If you feel you meet these qualifications, and are interested in applying, please complete the form below and return to David Ballantyne at ballantynedr@cs.com before January 19th 2022.

Name	
Unit # (if known)	
Street Address	
Phone number
